### **Bilingual Plumbing Technician joins Leon C. Landis, Inc.**

Team better equipped to serve Spanish community

**Quarryville, PA**-- Bob Landis, Jr., President of Leon C. Landis, Inc., announced today the addition of Ronald Figueroa to his plumbing technician team. Figueroa has been working as a plumbing technician in the local Chester County area for several years and is also fluent in Spanish. With the growth in housing and Spanish speaking residents in the area, Landis sought out Figueroa for his plumbing skills and ability to better communicate and serve their clients. "I am pleased to be able to have Ronald on our team as an experienced technician, as well as, to help the company to better serve and understand our Spanish speaking clients," commented Landis.

Ronald lives in Downingtown, PA with his family.

Leon C. Landis, Inc. is a full service plumbing, heating, air conditioning and fuel delivery company located in Quarryville, Pennsylvania. Founded in 1950, by Leon C. Landis, the company is owned and operated by Robert Landis, Jr., grandson of the founder. Leon C. Landis serves Southern Lancaster, Southern York and Southern Chester Counties. They provide sales, service and installation of plumbing, plumbing fixtures, heating and air conditioning systems including geo thermal, heat pumps and propane furnaces and fireplaces. The company offers 24 hour emergency service to its fuel oil clients. Leon Landis Delivers...Propane, Heating Oil, Diesel, Gasoline, and Kerosene.
