Leon C. Landis, Inc. hires Gilland as Plumbing Foreman

Quarryville, PA-- Leon C. Landis, Inc. announced recently that Steve Gilland was hired as the plumbing foreman for the Quarryville based company. Gilland brings over 8 years of experience to the position and will be responsible for design, purchasing and bidding of all plumbing jobs and all aspects of the plumbing side of the business.

Over the last year, Landis has seen an increase in the demand for plumbing and HVAC sales, service and installation, and as a result has been able to grow its work force to meet customer demands. "It is a real pleasure to be able to expand and to serve more customers in the area. We are fortunate to have compiled a very experienced and skilled team of professionals," said Bob Landis, Jr., President of the company.

Steve lives in Delta with his wife and children. He is an avid outdoorsman.
